Story ID	User Role	User Story	Acceptance Criteria		
US-01	Agent	As an Agent, I want to add new property listings, so that users can view available properties.	Agent must be logged in; all mandatory fields must be filled; property is saved successfully.		
US-02	Agent	As an Agent, I want to edit property details, so that the information remains up to date.	Only the owner agent can edit; changes are saved correctly.		
US-03	User	As a User, I want to search properties, so that I can find suitable listings.	Search filters work correctly; relevant results are displayed.		
US-04	User	As a User, I want to contact an agent, so that I can inquire about a property.	Message is sent successfully; agent receives notification.		
US-05	Admin	As an Admin, I want to manage users and agents, so that the platform remains secure.
